## Unique Features of the Program

1. Our low student-to-faculty ratio guarantees close personal guidance and attention for every student
2. The innovative CMMU Ph.D. coursework
3. Full-time commitment in a flexible part-time mode

## Target Groups for the Ph.D. in Management Program

- Lecturers at universities and research institutes who want to advance their career
- Management consultants who would like to gain more in-depth knowledge and research skills
- Managers working for private companies and government organizations with a passion for life-long learning, or interested to lecture part-time at universities

## High Quality Faculty and Research at Mahidol University

- Internationally recognized: AACSB-accredited program
- Mahidol University is one of the most prestigious universities in Thailand, recognized for its outstanding achievements in research, teaching and professional services.
- Study with Thailand's top management scholars, who are full-time faculty members at CMMU

## CMMU Ph.D. Graduates Make a Difference

Over the past 25 years, CMMU has gained a strong reputation for high quality research that impacts society and a student-centered learning approach. Our track-record: CMMU students and graduates have published 101 articles in international academic journals in the period 2009-2022, and received 3 thesis awards. Importantly, 65% of these articles were published in journals ranked in the top half of the field, in quartiles Q1 and Q2 of the Scimago/Scopus journal ranking.
