

College of Management, Mahidol University
Key Strategy and Action Plan 2023

Amidst this evolving context and unprecedented challenges, CMMU has prepared the five- year (2021-2025) strategic plan to steer the college to be more agile and achieve the corporate goal of sustainable growth. Starting with CMMU's Dean and Executive Committee, they considered Mahidol University's current vision and mission, together with the College's current vision and mission, and provided three strategic directions:

- 1) Drive CMMU's ranking in the global arena, in addition to complying with international standards,
- 2) Ensure sustainable growth within innovation through comprehensive offerings, collaboration and services, and
- 3) Create One CMMU culture.

Following these strategic directions and taking the challenging contexts into consideration, CMMU has laid out five key business- level strategies as follows:

- + Strategy #1: Transformative education excellence in alignment with context
- + Strategy #2: Research excellence with social contribution
- + Strategy #3: Academic services excellence with public recognition
- + Strategy #4: Internationalization
- + Strategy #5: Excellence in management for sustainable growth

The strategic action plans that support CMMU’s strategies along with the KPI measures are shown below:

Strategic Action Plan		KPI
Short term	Long term	
Strategy #1: Transformative Education Excellence in Alignment with Context		
<p>Curriculum</p> <ul style="list-style-type: none"> • Develop distinguished and updated curriculum • Create more study options (Online program) • Create learning options for alumni to enable a life-long learning • Select flagship subjects in either Thai/International program <p>Teaching/learning methods and environments</p> <ul style="list-style-type: none"> • Expand the use of interactive teaching and online learning • Offer social and academic activities for all students and alumni • Invite international or Thai guest speakers • Enhance students’ practical learning, professional problem solving, and leadership skills through working with industry/ community <p>Faculty and staff development</p> <ul style="list-style-type: none"> • Encourage knowledge exchange and communication, from problems to theory and learning among faculty, alumni, and industries 	<p>Curriculum</p> <ul style="list-style-type: none"> • Create new courses or programs that leverage university’s strengths • Offer new majors or programs with local/international partners <p>Teaching/learning methods and environments</p> <ul style="list-style-type: none"> • Develop more online courses for public • Engage alumni in life-long study <p>Faculty and staff development</p> <ul style="list-style-type: none"> • Internationalize academic curriculum and faculty • Build integrated industry partnership and provide full support to faculty and staff for industry training and research 	<p>Education index</p> <ul style="list-style-type: none"> • Student satisfaction / Graduate satisfaction / Employer satisfaction • Graduate outcomes (base on expected learning outcomes) • Academic reputation • Teaching evaluation scores • Graduation rates • Student retention rates • No. of enrolled students
<p>Curriculum</p> <ul style="list-style-type: none"> • Develop distinguished and updated curriculum • Create more study options (Online program) • Create learning options for alumni to enable a life-long learning • Select flagship subjects in either Thai/International program <p>Teaching/learning methods and environments</p> <ul style="list-style-type: none"> • Expand the use of interactive teaching and online learning • Offer social and academic activities for all students and alumni • Invite international or Thai guest speakers • Enhance students’ practical learning, professional problem solving, and leadership skills through working with industry/ community <p>Faculty and staff development</p> <ul style="list-style-type: none"> • Encourage knowledge exchange and communication, from problems to theory and learning among faculty, alumni, and industries 	<p>Curriculum</p> <ul style="list-style-type: none"> • Create new courses or programs that leverage university’s strengths • Offer new majors or programs with local/international partners <p>Teaching/learning methods and environments</p> <ul style="list-style-type: none"> • Develop more online courses for public • Engage alumni in life-long study <p>Faculty and staff development</p> <ul style="list-style-type: none"> • Internationalize academic curriculum and faculty • Build integrated industry partnership and provide full support to faculty and staff for industry training and research 	

Strategic Action Plan		KPI
Short term	Long term
